**Assembly Recommendations**
We kindly recommend checking the components and accessories listed in the installtion guide before beginning assembly. If you have purchased multiple products (we're happy to hear that!), we suggest completing the assembly of the first product before moving on the second.

**Safety Instructions**
Please avoid using the products for purposes other than their intended use. It is crucial for the safety and well-being of you and your family to prevent any risk of injury. To ensure the longevity of the product, please keep it away from excessive heat, cold, and humidity.
